RFP – External Audit Services
Pre-proposal Questions
May 11, 2009

1. Has anything significant happened in the current year, which is different from prior years?

2. Is something significant expected and/or budgeted to occur in the current year, or soon thereafter, of which a potential auditor should be aware?

3. What qualities exhibited by the current auditors does the Authority value the most? The least?

4. Why is the Authority contemplating changing auditors?

5. What qualities would you like the new auditors to exhibit?

6. What were the prior year auditing fees, and how were these fees allocated among various services (i.e. financial statement audit, single audit, various other reports, etc.)

7. Were there any additional accounting service fees?
